01 About the Asset

Ready to use customizable Slot Machine - Jackpot will be your powerful monetization tool.

Drag & Drop Slot Machine prefab into the scene and customize your rewards for your need. Spin it by spending coins or for free. When the three slots stop at the same icon claim popup will be occurred with the amount of your reward on it.

It has 7 different icons on rolling slots. Every slot icon has its chance on it so you can control your reward percentage easily. You can define reward amount for your slot icons and select your reward type as coin or gem or your currencies in your game.

There are two buttons with the same event to start the machine. Classic red ball handle on the right and the other one is catchy green button on the bottom. We added two types of bottom table for your selection, so you can show your reward list or not.
